ECHOES FROM THE CHAPTER HALL DAY THIRTEEN

Wow! What a day today!
So refreshing and uplifting in every way.
Through sacred spaces, our steps did roam,
In prayer and peace, we felt at home.

But most of all, with hearts so free,
We met our sisters beyond the sea.
A gift so rare, a bond so sweet,
In faith and love, our souls did meet.

Grateful to God for moments divine,
A treasure held in heart and mind.
With joy, we walk; with thanks we say,
Blessed we are in every way!
