## **ECHOES FROM THE CHAPTER HALL**

### **DAY TWENTY-ONE**

# **Congratulations!**

As our new General Team takes charge, as one family on one mission, we wish them God's abundant blessings. May they be filled with wisdom, strength, and the guidance of the Holy Spirit as they lead us forward for the coming six years. Let us uphold them in our prayers, trusting that God will work through them for the good of our congregation. With grateful hearts, we bless them and entrust them to God's loving care.
