ECHOES FROM THE CHAPTER HALL DAY NINE

Like Ruth, we placed our trust in the Lord, choosing to go where He leads.

From our hearts, we engaged in sifting through the crucial areas that need our attention as a congregation for the next six years.

It was not just a day of sifting; it was also a day of resting.

Rest was not an interruption but an essential part of the journey, allowing clarity to emerge.

In stepping back, we would find the strength to move forward with deeper conviction.

Renewed, we continue on the path the Lord has set before us.
